# Something for everyone Monday to Saturday

## MONDAY

The scoop on sports. News from the Big O. Red Fisher. A full page of amateur sports news. Scoreboard statistics. For Montreal's best sports.

## THURSDAY

Fresh ideas for your home from Annabelle King. Renovations. Furniture. Fabrics. Decorate for a lot less. Plus seniors' topics. Gardening tips. The Gazette . . . growing with you.

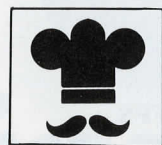

## TUESDAY

The word on fashion from Iona Monahan. What people are wearing. Where to buy "the look". The latest from Italy, Paris, New York and Montreal.

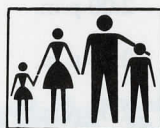

## FRIDAY

That's entertainment. The Weekend Guide. Helen Rochester's restaurant reviews. Gillian Gayton's wine column. Tommy Schnurmacher's gossip. The Gazette . . . for the fun of it!

## WEDNESDAY

What's cooking? Fabulous food. Julian Armstrong's best buys. Budget recipes. Gourmet ideas. Advertised specials. Plenty of food for thought.

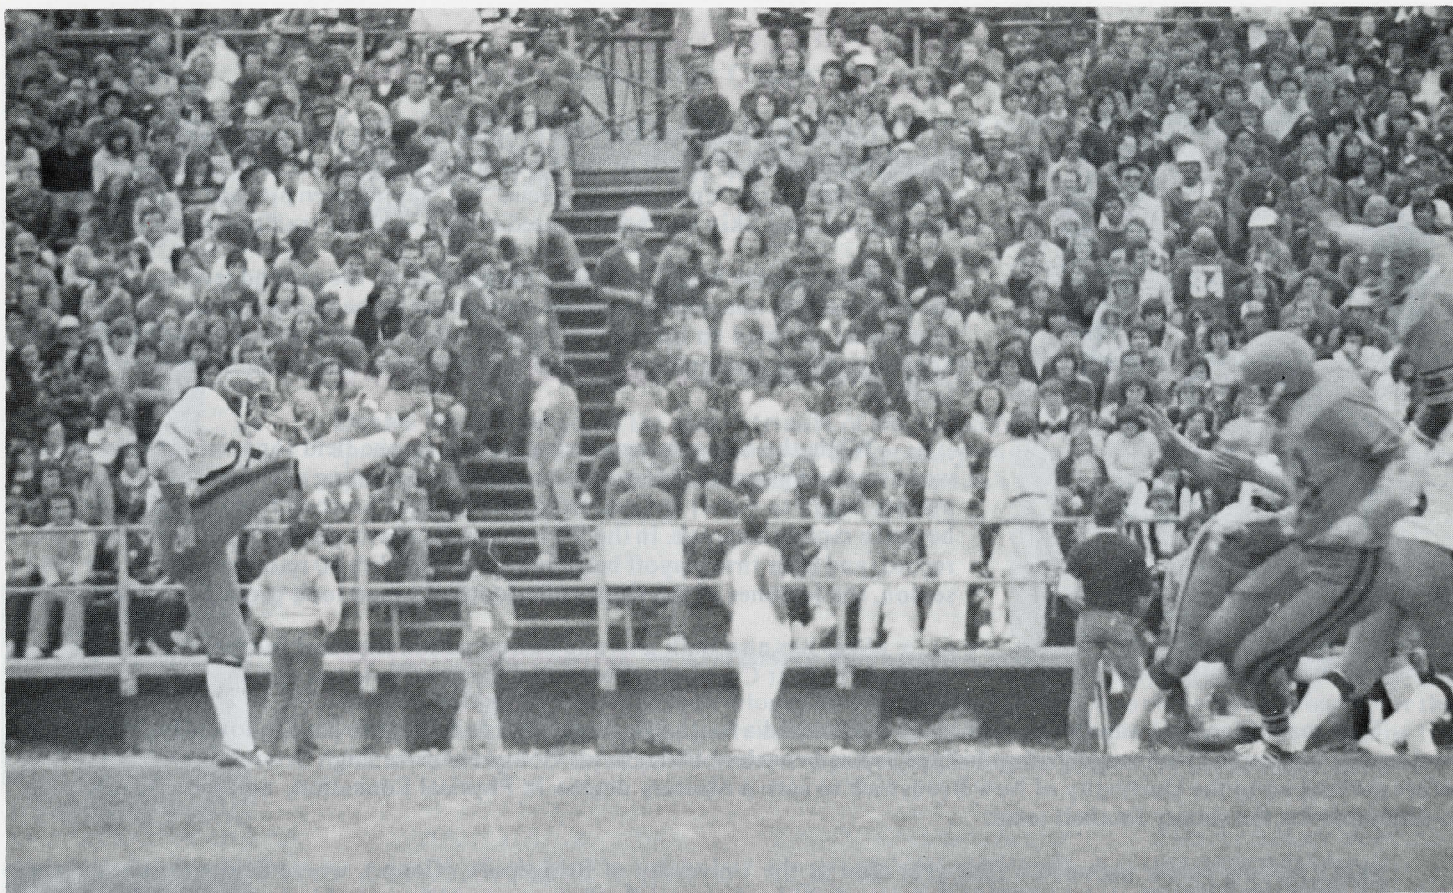

## SATURDAY

News to fill a weekend. The Weekly Review. Aislin. TV Times. Travel. Books. Real estate and career ads. Today Magazine. A color comic book. The best read in town.

# The Gazette

Action from last year's playoff against Queen's

## FOOTBALL FORECAST

The Concordia Stingers, coming off their first playoff season in five years, are aiming for a bigger piece of the pie in the 1982 CIAU season. Head coach Skip Rochette has over 35 veterans returning from last year's 3-3-1 team and he feels that Concordia is ready to challenge for national honours.

"Last year we were able to put points on the scoreboard in record fashion," Rochette recounted, "but our offense was inconsistent and our defense showed its lack of experience in the big games. We proved last season that we had the talent to play with the best in Canada," Rochette stated, "but rookie mistakes, turnovers and penalties stopped us from coming up with strong performances week after week. We learned last year that to be successful in university football in Canada you must be at the top of your game every week."

"This year we want our offense to dictate the tempo of the game," said Rochette. "With our passing game we have the ability to strike quickly but we are looking for a more productive running game to complement our passing attack."

Offensively, holdovers quarterback Colin Anderson, running back Frank Pileggi and offensive tackle Paul Palma will lead the way.

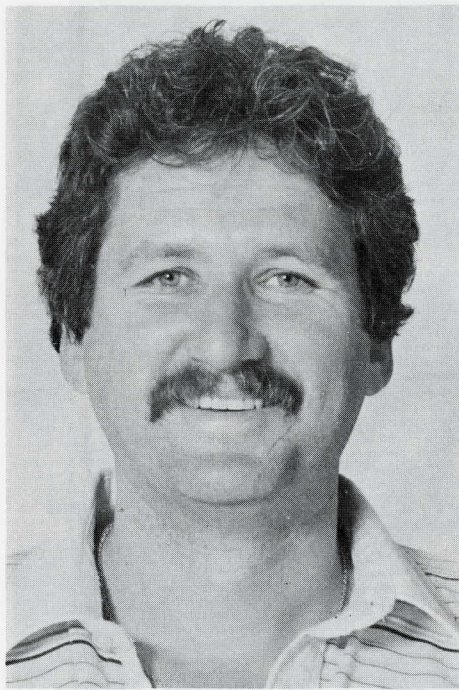

On defense the Stingers will look to all-league linebacker Ross Reeves and defensive back Roy Trevisan for leadership.

"Our inexperience caused too many turnovers and penalties which hurt us in big games," Rochette added. "One of our goals this year is to eliminate those mistakes."

Once again the O.Q.I.F.C. looks like a tough conference. Charlie Bailie's McGill Redmen should be at least as strong as last year's (7-0-0) first place finish. Champion Queen's came on in the second half of 1981 to win the playoffs and they have to be rated a threat for top honors this time around. Bruce Coulter's Bishop's Gaiters always field a strong team. Their back to back win and tie against Concordia brought the Stingers down to earth last season. Coaching changes in the Nation's Capital should help Carlton (1-6), and Joe Moss certainly can't hurt the always tough Ottawa Gee-Gees.

The Stingers should be better and more experienced in 1982, but where they will finish is anybody's guess. Concordia is a good bet to finish higher than their 4th place of last year. Just how high they go depends on just how much they learned from 1981. The Stingers made the playoffs last season for the first time in five years. Maybe this time they will win a championship for the first time in..... quite a while!

## **HEAD COACH**

### **SKIP ROCHETTE**

Coach Rochette has kept the promise he made four years ago, when he was named head football coach of the Concordia Stingers. At that time, the football program was on the "endangered species" list, having been hit hard by graduations and injuries, and Skip was bravely predicting a winning tradition for the Stingers.

Skip quickly began to build a program from the ground level up, although the progress was not evident to those outside the immediate program. His first two years were devoted to establishing grass roots contact with CEGEP and High School coaches throughout Quebec and Ontario, and installing his system of football.

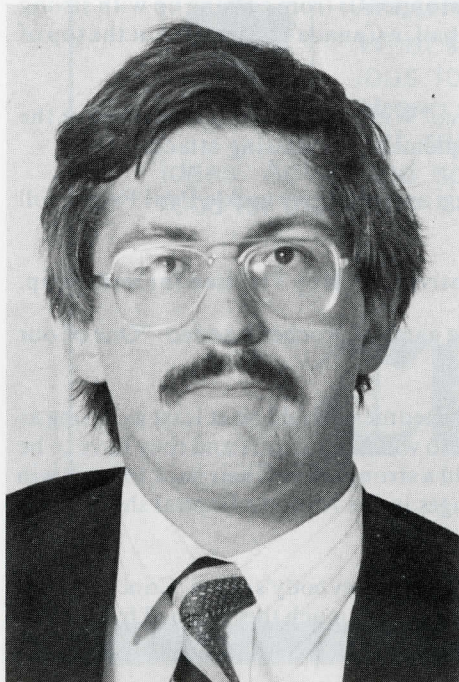

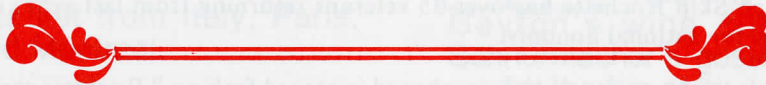

While the Stingers were being beaten on the field (one win in two years) word was being spread that good things were happening at Concordia. As quality players began to enroll at Concordia, the on-field football fortunes of the school began to rapidly improve. In the 1981 season Rochette piloted Concordia to a 3-3-1 record, and their first playoff berth in five years. With 40 returnees set for the 1982 season, the fortunes of the Concordia football squad look promising indeed.

Skip has also built a strong liaison within the local football circles, having directed the first Concordia Football Coaches Clinic last spring.

That coach Rochette was able to restore life to Concordia football is no surprise to those who have followed his career. He produced consecutive Provincial Championships as head coach of Pierrefonds Comprehensive High School in 1975 and 1976, before moving on to the University of New Brunswick to earn a Masters degree in Physical Education, and serve as offensive co-ordinator for the varsity football team.

Skip's playing career included a four-year stint at the University of Bridgeport, (Conn.), where he quarterbacked the football team and earned a Bachelor of Science degree. In his senior year, Rochette received honourable mention on the All-New England and All-East teams and guided his team in the Knute Rochne Bowl (Division II Championship). Skip then earned a second Bachelor degree in Education at Queen's University, where he led the varsity football team to the Western Bowl.

Skip was drafted twice by C.F.L. teams, the Montreal Alouettes in 1970 and the Winnipeg Blue Bombers in 1971. The C.F.L.'s loss eventually became Concordia's gain.

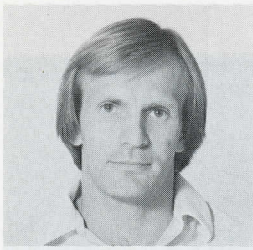

## **ASSISTANT COACHES**

### **BOB HURTUBISE — Defensive Co-ordinator**

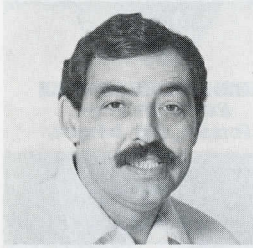

Bob has developed into one of the most respected and knowledgeable coaches in Canada over the past few years and is widely sought for clinics and coaching expertise. His college coaching career includes three years with Concordia and one year with the Simon Fraser Clansmen. Bob previously worked with Coach Rochette at Pierrefonds Comprehensive during their title years of '75 and '76.

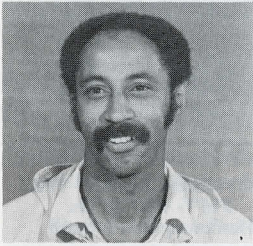

### **JOHN AIKEN — Receiver Coach**

Coach Rochette has credited John with the development of All-Canadian Gerry Prud'homme. He begins his fourth year at Concordia after coaching stints with the North Shore Lions and Riverdale High School. John played with the Verdun Maple Leafs and had a tryout with the Toronto Argonauts.

### **DENNIS DOUGHERTY — Defensive Line Coach**

Dennis has proven to be the most versatile of the Concordia staff. Prior to his appointment last spring as defensive line coach, he instructed the specialty teams, and offensive line. Coach Dougherty's previous coaching experience includes stints with Leo's Boys and Dorval Bantams.

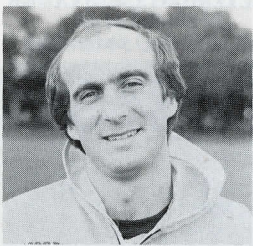

### **BRYANT FRAZIER — Defensive Backfield Coach**

Another Stinger coach who has developed an outstanding reputation as clinician and coach over the years. Bryant, who spent three years on the staff of the Verdun Maple Leafs, will be coaching the defensive backs for the second consecutive year. Coach Frazier played for the London Lords.

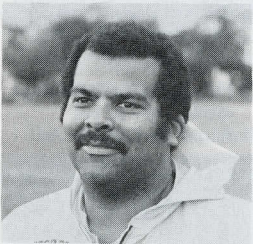

### **MARIO SPINA — Offensive Backfield Coach**

Coach Spina begins his second year working with the offensive backfield. The former "Freshman Athlete of the Year" and holder of three team records, was instrumental in the Stinger playoff drive last season. Coach Rochette expects even greater output now that Mario has made the transition from player to coach.

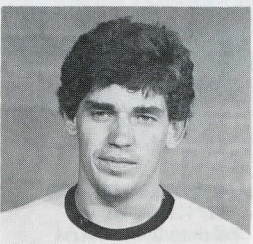

### **TONY ADDONA — Offensive Backfield Coach**

Tony joins the Concordia staff after stints with the Springfield College (Mass.) freshman squad and the Laurier MacDonald High School team. Tony, who played for both Laurier MacDonald and Springfield will be a tremendous help in the offensive backfield.

### **RICHARD GREENIDGE — Offensive Line Coach**

Richard is a veteran coach who has spent ten years coaching amateur football in the Montreal area, beginning with the Easton Chargers in 1968. The former head coach of the Verdun Maple Leafs will show his expertise with the offensive line.

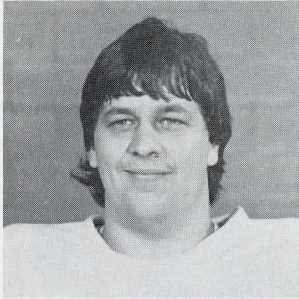

### **ROBERT CARROLL — Student Apprenticeship**

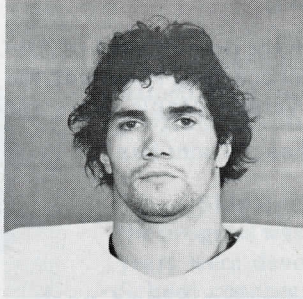

Due to injuries Bobby will not be playing with the team this year. He will be an undergrad apprentice working with Bob Hurtubise in the Defense area of the Stinger team.

# FEATURE... LARRY TITLEY

**Larry Titley**

The 1981 Grey Cup marked a dream come true for former Loyola/Concordia student Larry Titley. The 6'2", 220 lb. center, a verteran of six Canadian Football League campaigns, helped spark the second-place Ottawa Rough Riders to playoff wins over the Montreal Alouettes and the Hamilton Tiger Cats and a near miracle upset over the heavily favored Edmonton Eskimos.

"My biggest moment in sports was after our victory over Hamilton last November" Titley recalls. "No one expected us to be in the Grey Cup but we beat Hamilton to win the Eastern Conference and nearly did the same against Edmonton."

Larry feels the 1982 version of the Rough Riders are capable of another Eastern crown and a second consecutive shot at the Grey Cup which has eluded the east since 1977.

"We are off to a slow start (1-6) but if you check the scores they have all been close, games that we could have won," Titley stated. "The biggest thing in this league is to make the playoffs, which we still have a good shot at. Once you are in the playoffs anything can happen, as we proved last year".

Larry came to Loyola College in 1972, a transfer from Memphis State University in Tennessee. He played three years for coach Doug Daigneault, earning a spot on the league's all-star team twice. His first season at the West End campus was the inaugural season for the Concordia Stingers in which five players were drafted by C.F.L. teams.

Larry was selected by the Calgary Stampeders in the C.F.L.'s annual Canadian University draft along with Stinger teammate Gary Anderson. He spent four years with the Stampeders, first as a utility offensive lineman and specialty team player, and finally as the club's starting center. He became a free agent after the 1980 season and headed back East, hoping to land a job with the hometown Montreal Alouettes. However, things didn't work out with the Alouettes and Larry signed with Ottawa, a decision he has not regretted. Larry and his wife

Cathy and daughter Cortney are now full-time residents of the Nation's Capital.

When discussing the difference between Canadian University and the C.F.L. Titley feels there are two main differences a rookie faces. "First there is the physical adjustment you must make coming out of university. At Loyola I was always one of the bigger, quicker players. At Calgary I was facing grown men, who were bigger, stronger, more mature and more experienced. The second difference was the speed of the game and the players. My first year it seemed as if the game and players were in one speed and I was in slow motion."

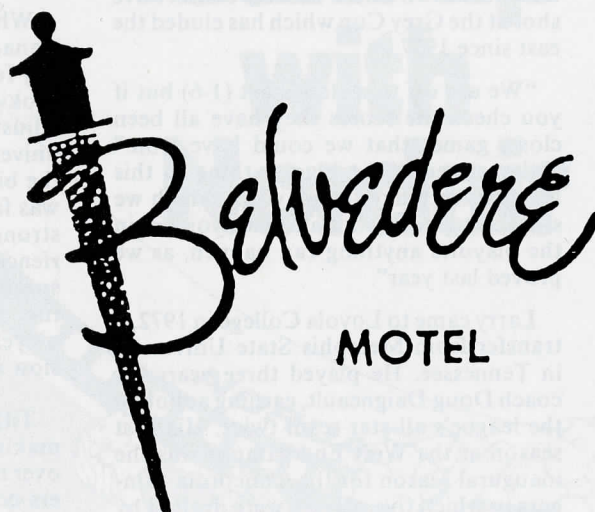

Titley sees the Canadian Universities making a greater contribution to the pros over the last six years. "Certainly the players coming out of Canadian universities are bigger physically as well as more skilled in the fundamentals of the game" Larry observed. "It appears as if a lot more schools are becoming serious about football".

Titley, who graduated with a Bachelor in Economics degree in 1975, has fond memories of his playing days in Montreal, particularly the Shaughnessy Cup games against crosstown rivals, the McGill Redmen. Larry's final Cup Game was a classic as the Stingers scored three fourth quarter touchdowns to edge McGill 26-25 to win their first-ever Shaughnessy Cup game.

## CONCORDIA INDIVIDUAL RECORDS

Most Interceptions in a season	4	Ron Pierce	1981
Longest Kick-off Return	108 yds.	Bill Harshaw	1977

# THE PERFECT DROP-BACK PASS

**THE EYES**—When the quarterback goes back 'into the pocket', watch how he keeps his eyes on the pass defenders, not his primary or secondary receivers.

There's a very good reason for this; he knows where his receivers will be but he has to make instant decisions as to whether the defenders are in good position to make an interception. If that's the case, he'll throw the ball away.

**THE SHOULDERS**—The best drop-back passers go straight back, with their shoulders almost parallel to the line of scrimmage so that they've got an unobstructed view of the developing play.

**THE LEGS**—Because speed is all-important, the passer must back-peddle and 'step-up' very quickly while keeping his eyes on the action at all times. When releasing, he'll 'step-into' the pass with his off-side leg to put power on the ball.

**THE ARMS**—Notice that the quarterback's arms come up to shoulder level as he drops back to ensure quick release when his man comes open. Note also how the passing arm 'cocks' just behind the ear with fingers across the ball's laces to impart the spiral that's essential to an accurate pass.

**THE PERFECT DROP-BACK PASS**—The drop-back pass is a favourite with both coaches and quarterbacks because the passer has his eyes on the action all the time and can instantly opt for a short 'clothes line' pass or a floating 'long bomb'. Either way, the perfectly thrown drop-back guarantees either short yardage for a first down or six points from a touchdown.

The more you know about the game, the more you'll enjoy it. And the more you know about satisfaction, the more you'll enjoy the great taste of Player's.

## Schenley OFC: the only 8-Year Old that's guaranteed right on the back of the bottle.

Canadian law requires distillers to place a stamp on their whisky bottles showing the year the whisky was distilled.

With Schenley OFC, we go a lot further. We certify that our

whisky has been aged in charred white oak casks, for a full 8 years.

We believe 8 years is a perfect aging time for whisky. When it reaches its prime for a smooth, mellow taste.

**Schenley OFC**  
**The 8-year old**  
**that's guaranteed.**
